

MATTRESS PROTECTION ANTI-MITES AND ANTIMICROBIAL

- Mattress protection with antimicrobial AEGIS finishing, breathable and impermeable;
- **Breathable** (allows air to pass between the mattress and bed linen);
- **Waterproof** (prevents passage of fluid into the mattress);
- Soft and comfortable;

APPLICATIONS - Its antimicrobial finish provides a healthy environment, suitable for those who have:

- ◆ **Problems with allergies;**
- ◆ **Breathing problems**
- ◆ **Reactive and intolerant skin;**
- ◆ **Those who present reduced or conditioned mobility.**
